To promote museum-school exchanges, cultivate international perspectives among young students, and actively promote museum exhibitions and operations, we are recruiting university students interested in museum guided tours. Through a comprehensive English guide training program, we provide young students with diverse volunteering and international exchange opportunities, nurturing new museum talent. We aim to enhance our museum's international exchange capacity and visibility through this program, creating innovative museum education and outreach services.

4. 提升本館國際能見度：疫情前來臺以「認識臺灣」為相關主題參訪之國際學校團體增加，目前本計畫已與來自日本、瑞典、韓國、泰國、美國等大學學術團體交流，疫情後期望持續吸引各國年輕學子參與本館活動。

Enhance museum's international visibility: Before the pandemic, there was an increase in international school groups visiting Taiwan for "Understanding Taiwan" themed visits.
